Dear Parent /Guardian

I would like to take the time to thank you in advance for allowing me the opportunity to work with your child this school year. I look forward to a very busy semester working with your child introducing them to the world of *Finance*, a course that will prepare your child for entering one of several careers in business. It is very important that we work as a team to make this a successful opportunity for your child. The first step to creating a successful school environment is your child attendance at school. We want your child at school every day, therefore with your help, this can become a reality and lead to a successful school year. Attached is a reminder of our open house for this semester. I look forward to meeting you and sharing my thoughts on how your child is doing in my class and ways we can work **together** to make this a successful school year for your child. If at any time you feel it necessary to contact me to share any information that might impact your child's learning I will be happy to speak with you at our earliest convenience. **I can be reached by phone by calling New Bedford High School at 508-997-4511 and asking for Mrs. Alves in Blue House, through your child's guidance counselor, by email at valves@newbedfordschools.org or by scheduling a meeting before or after school hours.** Again, I look forward to a great year working with your child and look forward to meeting you on **Thursday, March 6, 2014 at Open House. Please have your child return this form to school signed by both yourself and him or herself.**

Thank You

**Mrs. Valerie Alves
Business Education**
